

CHINA-USA

**2014 WORKSHOP IN HAWAII:
MOVING FORWARD INTO THE
FUTURE WITH TRUST AND
FRIENDSHIP TO ADVANCE SEA
TURTLE RESEARCH AND
CONSERVATION**

**Denise M Parker (JIMAR, USA),
Lili FU (Sea Turtles 911, Hainan, China),
He-Xiang GU (Huidong Gangkou STNNR, Gangdong, China),
Tsung-Hsien LI (NMMBA, Taiwan),
Wenhua LIU (MBI, Shantou, China),
Robert LO (KNU, Kaohsiung, Taiwan),
Margret Murphy (CUHK, Hong Kong, China),
Yamin WANG (College of Ocean, Shandong, China),
Zhong-rong XIA (Huidong Gangkou STNNR, Gangdong, China),
Frederick YEHL (HNU, Hainan, China),
Bruce YEHL (Torrence, CA, USA),
Thierry Work (USGS, USA),
John Wang (NOAA PIFSC, USA),
Shandell Brunson (NOAA PIFSC, USA),
Chia-ling FONG (Academia Sinica, BRC, Taiwan),
Connie NG (CUHK, Hong Kong, China),
Jeffrey Seminoff (NOAA SWFSC, USA),
George Balazs (NOAA PIFSC, USA)**

CHINA/USA Sea Turtle Workshop NOAA CAFS USGS

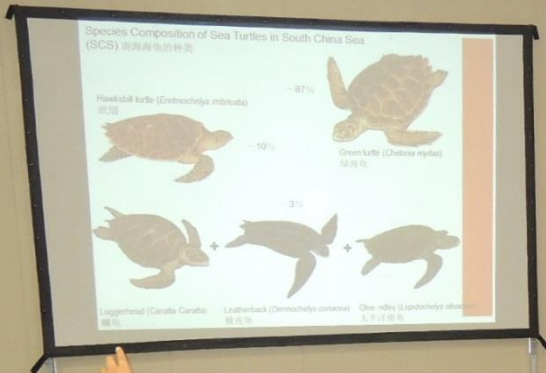

Hawaii 2014

Action items:

- 1) Creation of a China/USA Sea Turtle Working Group with workshop participants as the founding members;
- 2) Create a list of other sea turtle researchers and conservationists that would be good resources for additional China/USA efforts;
- 3) Identify key players to help foster China region collaboration by determining what interests them;

Hawaii 2014

4. PPP建立的机遇
Opportunities for PPP establishment in the site

- 两省交界水域的地区都在大力发展经济，都在追求可持续发展（共同利益）
Common interests for sustainable marine economic development
- 两省都已经意识到由资源共享决定的相互依存关系
Both realize depending on each other due to resources sharing
- 更为重要的是，南海项目提供了平台与机遇
Most importantly, SCCBD provides the platform and opportunities for initiating PPP

- 4) Promote enhanced collaborations among scientists within the China region;
- 5) Identify pathology laboratory access and capacity within the China region;
- 6) Propose general wildlife health and disease workshops for the China region;
- 7) Create a Visiting Scientist/Scholar Exchange Program;

- 9) Convene again in a subsequent workshop somewhere in the China region during 2015/2016;
- 10) Explore funding opportunities within China for more research and material support for sea turtle work;
- 11) Explore Ocean Park Conservation Foundation Hong Kong funding for sea turtles and a sea turtle workshop;
- 12) Inquire from within China about China/USA consulate cooperation;

13) Establish a directory with email, phone, Wechat and other contact information for digital communications;

and

14) Continue building a literature list of all China region sea turtle publications and reports.

謝謝
