

## Chevy Meet, July 4-6

*The Late Great Chevy Association will hold its second annual national convention in Dayton, Ohio on August 15-20. The association was formed to promote the 1958 through 1964 Chevrolets, including all models. A western regional convention will be held in Portland, Oregon on June 4-6. For more information on the Late Great Chevy Association and these events, contact Bob Snowden, P.O. Box 17824, Orlando, FL 32860.*

*The car pictured here is a 1959 Chevrolet Bel Air four-door sedan. Chevrolet was the best-selling car in the United States in model year 1959 and the Bel Air four-door was Chevy's most popular model. The option list in 1959 included air suspension, fuel injection and four-speed transmission but very few cars were ordered with this equipment.*
