Tui wakes up in the beautiful islands of Fiji. Tui's favourite game is counting. ONE swaying coconut tree by the sea, TWO dancing meke, THREE squawking parrots and FOUR clapping hands. Soon Tui's favourite friends and activities will lead the reader through this little book of tropical adventures.

There are many objects to count on each colourful page. Easy sounding Fijian words help with pronunciation of each word. Reading aloud DUA, RUA and TOLO is a great way for your children to learn counting their numbers 1 to 10.

Beautiful illustrations and clever picture stories, by the acclaimed artist Penelope Casey, will enchant readers of all ages with beguiling visual surprises, tropical Fijian scenes and witty stories-within-stories.

COUNT WITH ME, IT'S SO EASY!
