Subject: Thanks for info on white tip

Thanks george on the info on the white tip, I will xerox & send our neighbors at Kapoho. My deepest fear is that some dummy will spread it. The people working at Bargells are the most liable as they use nets etc. I have yet to see it, & I will go in the next time the house is open. I hope it will still be there. I don't know how you remember to do these nice things like sending this info. You have so much on your mind Thanks for our yearly photo. Mucho hugs & aloha, jo
