**Class Reunion of 1990
30 Year Reunion
1950 - 1960**

This souvenir booklet is your permanent remembrance of our class reunion. Thank you for coming and making our class reunion a success. It was super seeing you all. This book is dedicated to all my special friends of Twentynine Palms High School. I think they know who they are. We regret that some classmates and teachers were unable to attend.

Planning our class reunion of 1990 was lots of fun but our most difficult task was locating as many of you as possible. Unfortunately, we could not locate everyone. One comes upon the battle of sand and water--a record of struggle and failure--a battleground of frustration--while trying to find former students and classmates from the 1950's and 1960's. We wanted everyone to come back to Twentynine Palms High and the city of Twentynine Palms, California and celebrate their 30 year class reunion. We all came together and enjoyed the evening with a dinner of prime rib and champagne.

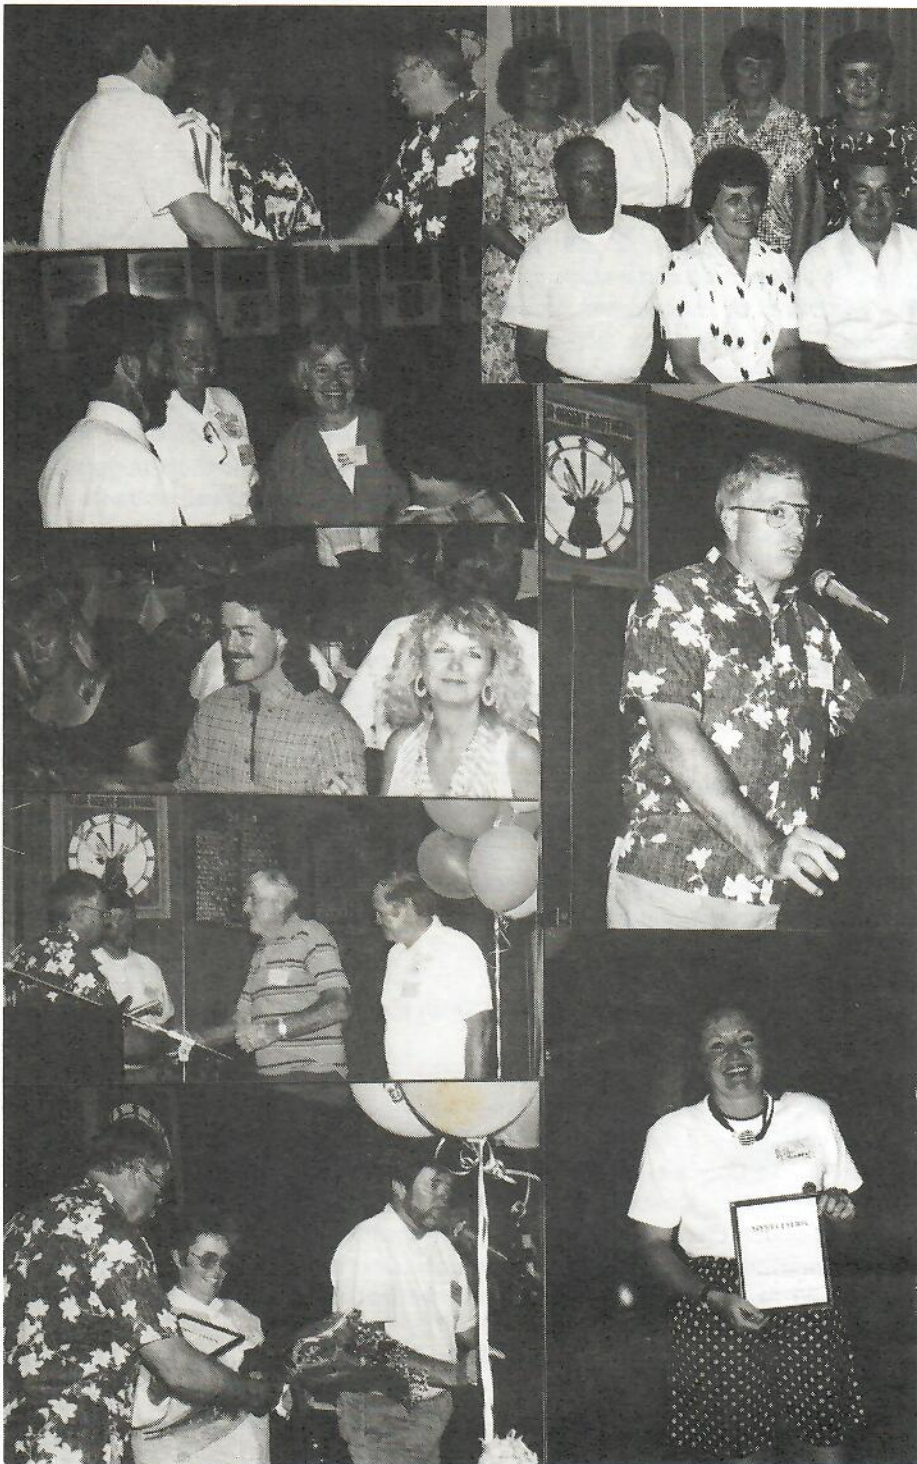

Our special thoughts go out to those classmates and faculty who have passed away: Mr. Tom Nicoll, memory Tom Nicoll Stadium; Mr. Ernie Crutcher; Dane Clarke; Jerre Fetzer and many others. There were awards and honors. Coach Moffett and Coach Tom Jones were presented plaques engraved with "Appreciation of Education Class Reunion of 1990."

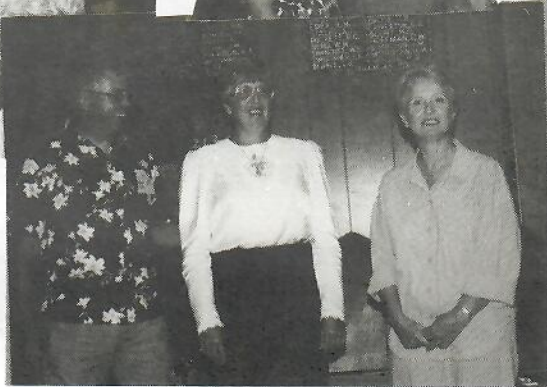

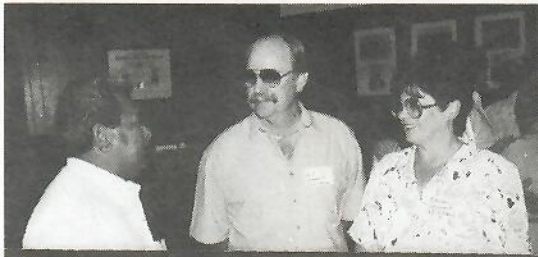

Tony Brown was given an award of a gold pin for coming from Samoa. George Blaz and Dan Graninger were given mugs for coming from Hawaii. Bob Duval was presented a gold pin for being the hardest to find student. Certificates were given to the classmate with the youngest child, Pam Beller O'Connor and oldest, Gayle Smith. Gary Miller was presented a pin for having the most grandchildren and Thurman Carson for the most children. The Smith Family was recognized for all being there together, and Dave and Pat Smith and Ed and Dessie Smith Wilder for being married the longest!

A scholarship was given to Liz Hatch Meyer in memory of Miss Loretta Galindo. David Hite, Master of Ceremonies, and Thurman Carson presented the honors.

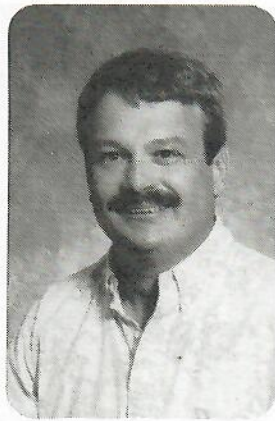

The crew that put the class reunion together were Karen Arlene Moore Kruger, Midge Tunstall Coombs, Barb Ferguson Murphy. And thanks to the businesses of Twentynine Palms, California--which were: Mamma's Bakery for the Chocolate cake--delicious!; Oasis Florist for flowers and helium balloons; Flower Garden for single carnation corsages; The Gardens Motel Best Western for hospitality; Johns Palace and Twentynine Palms Inn for the breakfast, lunch and dinner and service all making for a fantastic weekend!

Thanks again everybody, and we will all see you again in 1995 on a cruise to Catalina Island!!
