LIST OF IMPORTANT INFORMATION
 NEEDED ON SEA TURTLES IN
KAILUA BAY

- Greatest number of turtles that can be counted at any one time? (How many? what time of day? ocean conditions? Stage of tide?)
- Approximate size of the turtles (Large - shell length of 3 feet or larger; Medium - shell length 2-3 feet; Small - shell length under 2 feet)
- Locations in Bay where turtles are often seen (mark on maps)
- Presence of tags on turtles
- Presence of dead or sick turtles
- Observations of people trying to catch or kill turtles
