Leaving Hawi going south, turn left on
dirt road immediately after "Puakea Ranch".
This is "old cannery road" (to cattle
holding area (?) on left, immediately thereafter
cross road (also dirt) on left have double
gate chained. Walk along road, and past (over)
second gate (single-swing hinge). Continue
walking ~ 1/2 mile at most. Electric pole # 71
is at about midpoint. Beautiful pasture
land with numerous "islands" from where
rocks were cleared and piled when old
cane field was first made.

5/19 (continued) After coming to first "clump" of pine trees on left, continue a short distance to row of pine trees of left along fence (barbed wire). Immediately on east side of fence site exists - rectangular area, bounded by barbed wire. Not more than 50 yards from the dirt road. Petro, found finally at 12 noon. Several photos taken.
