24' boat

8' beam

5/20

Wed. Nite

Came right at boat, then
turned at last moment. Made
wave that rocked boat.

Faint white glow 3-4' w/water
on side - belly along boat

Bumped boat - both sides of boat.
whole boat would rock.

Flat seas, light wind.

Swam across Stern - got a good
35-40" dorsal out water.

"Skip"

Saw 2 fins

Lying at stern of boat. Thought
it was school of
Keith Keithly sharks, because
distance from tail
to dorsal.
