Hi, George,

2/6/91

Was just thinking of you - have ~~of~~  
superb slides of our hawkbills. Went  
to turtle towers the other day - swear we  
had 10 individuals - usually 6-8! New  
little one - we now have 2 "dinner"  
plates" in that group. No tap that I  
could see. Pig's eye almost healed -  
she has vision back - that we know!  
So far - no tumours! I'll be in Hon. next  
Tu. We. Th. @ 944-0962 (my daughter, Becky's)  
If I get a chance, will call - Aloha, Lisa

Hi, George,

  - #2. Customers saw people picking turtles @ Kahului twice in 1 week - asked why no BIG info board - people don't know!
  - #3. Think 2 tiny new babies (saw on surface - looked 9-10") swimming together on surface - at Pig land. Hope I/he doesn't exist!!
  - #4. Really enjoyed your visit - hope to repeat!
- Aloha, Lisa
