Subject: GREAT TO HEAR FROM YOU GEORGE

And I Do appreciate your remembering me at the Ceremony in Kauai on Tuesday, perhaps it will send energy my way -- I need it, since I got some supplement poisoning last September -- and have lost a lot of pounds and it affected my heart rythm.. I look forward to recovering -- but it's been a slow process..

Enclosed is a special Poem, made for your Ceremony Event on Tues.. It is not long, but to the point, if you care to read it, with the impact and rythm you can give it..

It is my humble donation to those who Love & respect The Islands and what they stand for.. My love goes with it..

And yes, I think of the Shoals often.. We need to escape to the primitive beauty of Nature and what God provides -- not what man and his concepts result in.. The world is changing, George -- and there are big changes to Mother Earth coming..

I still receive Prophecy as before -- with the Gift The Lord gave me in 1985.. And files with thousands of Poems.. The Master File has close to 6000 poems of all types, which are in categories for selection..

Anyway, my friend -- I will think of you at Kauai -- and my Spirit will be there to share in the beauty and joy of the Islands I love.. I have been there many times in past lives -- and the Pacific has always been within my heart & Soul..

Blessings to you, and your family -- lets keep in touch for future sharing of events and happenings to come, to our lovely Planet.. Mankind has much cleansing and Karma to balance before the New Time arrives, which the Bible speaks of..

Until Later -- Aloha to You and all, from Emmett

Islands
 Of Eternity to last

-
 They were seen by Ancient Races,
 Revered for what they are
 Manifestations of Nature's force,
 Made of dust from distant Stars.

-
 For it is Nature in her glory,
 That reveals the living truth
 That all upon this Planet,
 Is part of Higher Truth.

-
 Let us joy in this great vision,
 Of all that we can see
 And treasure what is before us,
 As it all was meant to be.

Walk softly. Walk softly, stranger.
The land on which you stand is
Holy ground...a place of unspoiled
beauty, colored by The Hand of
God. And you who stand upon this
land will someday too remember
sun-washed sands and quiet days,
and moments crystallized in time.
Walk softly, stranger, for you
stand on Holy ground.
