

Aloha! Linda & George  
Mahalo Nui Loa for  
remembering my day.

Wish I could go backwards with age,  
but can't. So, I have to keep going up,  
forward in no's. The 19<sup>th</sup> will be a  
97 year old Tū Tū. Moving slowly and  
doing what ever I can and if no can, no  
need. So far, doing okay. Staying home  
most of the day, since Feb, only go  
for Dr. appointments, groceries, med's and to  
the Post office - Also have car beach to go to  
down to whenever - Mahalo again.

Your kindness is greatly appreciated  
With warmest Aloha!  
Jeanette

*Thank You*
