George,

Enclosed are the photos and one negative that Pete Hendricks sent me of the tumored turtle at Keahole point. I also enclose his note regarding the circumstances. I will note that one of the boat hands for Ocean sports has told me that he saw a tumored turtle at the south point off of Mauna Lani over the summer. I had hoped to investigate this but haven't had time to get out there yet. I hope that he is wrong....

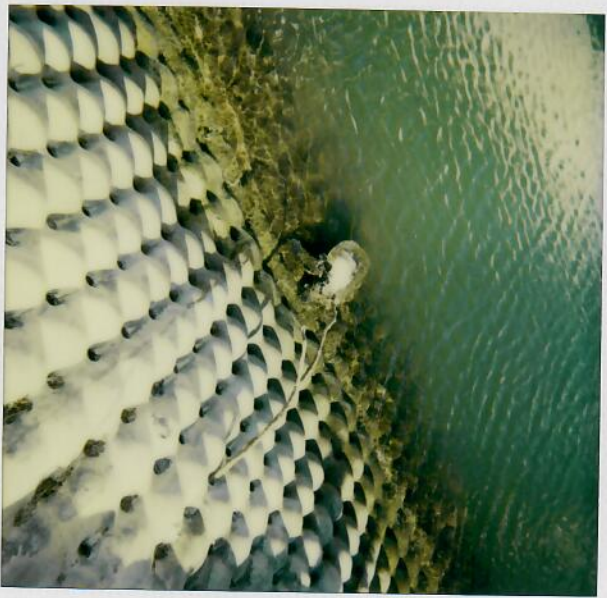

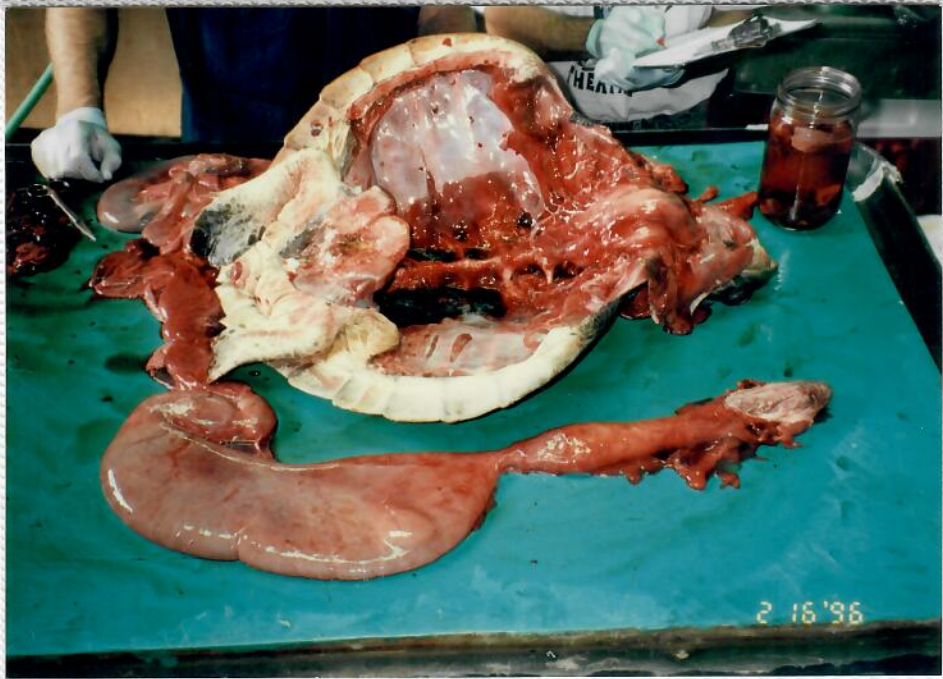

Aloha,
Marc
