Dear George,

For you + other friends I just make a pile of all I go on a trip + then I sort it + take it with me, I went to visit Lance + the twins + had a great time, He is also a good + informed guide through MT + it's natural wonders, we are also following the Lewis + Clark's foot-steps. I lent a great book + then I read "The Endurance" Shackleton's trip through the arctic ocean, followed immediately by "The Song of the Dodo" by David Quammen, All are masterly works. The

thanks for your sweet note + picture, I am sorry I was so slow in answering but - it was such fun to see you + Bill again - a special treat. ^{Gilman} I am sending you the usual assortment of stuff about our favorites + hope your scrap book can take it, I don't have any more now to file for me. Collecting the material is OK - but then, I am too impatient but I go right on clipping. New Year Resolutions don't help

last one is too, too amazing because the bibliography is endless + utterly impressive. He is a Montanan + smart. I am sure you have read the "Song of the Dodo" long ago + I may be very late in my enthusiasm.

Last letter from her, she died sometime thereafter.

See you next year but stay in touch.

Aloha
