The cover of the photo album features a dark blue background with a repeating pattern of colorful, stylized stars in shades of pink, green, and light blue. The stars have a white outline and are scattered across the cover. The title 'Magical Moments' is prominently displayed in the center, with 'Magical' in a multi-colored font (yellow, cyan, pink, orange) and 'Moments' in a similar multi-colored font (yellow, cyan, orange, light blue). Below the title, the words 'photo album' are written in a smaller, yellow font with a black outline. The right edge of the cover shows a vertical strip of a textured, dark blue material, likely the spine or a decorative border.
