[Reporter Liu Yuqing / Penghu Report] The "Western Begging Tortoise"-Penghu Lantern Festival, the lively celebration of Penghu Lantern Festival, officially began today. Among them, the most "spectacular" battle of the golden turtle king, the Temple of Mountain and Water God beat the horse with 326 two golden turtles The 250 taels of golden tortoises at the North Pole Temple in

Gongsuo Port won the title of Penghu Golden Tortoise King this year. Both temples are also undergoing renovation.

The Magong Shanshui God Temple, which opened the Penghu Golden Tortoise begging for tortoises for the first time, began with 38 Golden Tortoises in 1989, but the neighboring Suogang North Pole Temple has come from behind. It has been the title of Penghu Golden Tortoise King for many years. , Increased from 228 taels to 300 taels in one breath, and increased to 326 taels this year, while the North Pole Palace in Lock Port maintained 250 taels, giving up the golden turtle king's dragon head throne.
