Greetings!*

Dear George + Linda + son Paul too! Aloha!

Mele Kalikimaka Hauoli Makahiki Hou.

Hope all is well and okay. I'm now 99, doing okay, only slower in doing whatever and longer to get it done. Sometimes forgetful. Still live alone with Arnolds dog chow hound. My shop has been closed since feb. This has been not so good year because of this bad chinese coronavirus. ~~Having~~ staying home as much as possible to be safe. Only go out when necessary to wherever I need to be. Take care! Love you guys

Wishing you a season that sparkles,

Like the star of wonder,
The star of light. The star with Royal
beauty Bright, to guide you to thy
perfect light.

With Warmest Aloha,
Jeanette
