George —

I just want to say "MAHALO" for all your enthusiasm and support through the years. You were the one to get me interested and hooked on the turtle work at French Frigate — it has been my best times in the field and I've gained invaluable experience. I'll always have a special affinity for the turtles and will hope to work with them again in the future! Thank you, George! Happy Holidays!

Love,
Glynnis
