

33rd TURTLE INDEPENDENCE DAY

In 1989, Sea Life Park - a marine and wildlife center on O'ahu - agreed to loan honu (sea turtles) to Mauna Lani on the contingency of education and conservation.

Malu'ihī

To be treated with respect in a peaceful, protected surrounding

Malu'ihī hatched at Sea Life Park in O'ahu, HI on June 23rd, 2019. After Malu'ihī was transferred to Mauna Lani's saltwater ponds, they grew to 38 kg (84 lbs) and 63.3 cm (25 in).

Their new stage of life begins at Nānuku Landing on July 4th, 2022.

Growth rate of Mauna Lani Green Turtle (*Chelonia mydas*):
Malu'ihī (#92): LH - 982000406135314 | RH - 982000406135076
