

33rd TURTLE INDEPENDENCE DAY

In 1989, Sea Life Park - a marine and wildlife center on O'ahu - agreed to loan honu (sea turtles) to Mauna Lani on the contingency of education and conservation.

Wanao'a Projecting in every direction

Wanao'a hatched at Sea Life Park in O'ahu, HI on June 25th, 2019. After Wanao'a was transferred to Mauna Lani's saltwater ponds, they grew to 21.3 kg (47 lbs) and 53.2 cm (21 in).

Their new stage of life begins at Nānuku Landing on July 4th, 2022.

Growth rate of Mauna Lani Green Turtle (*Chelonia mydas*):
Wanao'a (#94): LH - 982000406134485 | RH - 4C3B4B5475
