

33rd TURTLE INDEPENDENCE DAY

In 1989, Sea Life Park - a marine and wildlife center on O'ahu - agreed to loan honu (sea turtles) to Mauna Lani on the contingency of education and conservation.

Kimo o ke Kai Kimo of the Sea

Kimo o ke Kai hatched at Sea Life Park in O'ahu, HI on July 23rd, 2019. After Kimo e ke Kai was transferred to Mauna Lani's saltwater ponds, they grew to 27 kg (60 lbs) and 55 cm (22 in).

Their new stage of life begins at Nānuku Landing on July 4th, 2022.

Growth rate of Mauna Lani Green Turtle (*Chelonia mydas*):
Kimo o ke Kai (#96): LH - 982000406132787 | RH - 982000406132518
