FROM TAHITI INFO

21 APRIL 1926 DOB

■ Tout au long de son règne de 70 années, le plus long de l'histoire britannique, Elizabeth II a rempli son rôle avec un sens du devoir inébranlable.

■ Depuis son premier voyage en 1948, Elizabeth II a effectué de nombreuses visites en France.

ROAD MY BODY GOES

ROAD MY BODY GOES

TO ALL who long to know what life really is on a South Sea island, this book will come like a fresh breeze across a lagoon. It is the best, vivid account of months spent among an unspoiled people who had never known white men before, written by one who has both the newspaper reporter's passion for facts and the poet's perception of beauty.

TO ALL who long to know what life really is on a South Sea island, this book will come like a fresh breeze across a lagoon. It is the best, vivid account of months spent among an unspoiled people who had never known white men before, written by one who has both the newspaper reporter's passion for facts and the poet's perception of beauty.
