**Subject:** 1960-2023: Eleanor Sterling, Accomplished Scientist and Dear Friend & Colleague to Many

Oceania-Pacific Islands Peoples- Please read the following:

<https://www.dropbox.com/s/vbiglv6yktbm02e/Eleanor%20Sterling%20Obituary.pdf?dl=0>

In addition to Eleanor's multitude of Life Accomplishments set forth at the above link, Eleanor conceived and conducted research, and published papers, on the sea turtles of Palmyra Atoll. Marc Rice and I spent 10 enjoyable and successful days with Eleanor and Kevin at Palmyra some years ago. A Blessing always to be fondly remembered.

Rest in Peace Dear Eleanor. And may God Also Bless Kevin for his Devotion to the Love and Partner of His Life. ghb
