Sno White and the Swingin' Singin' Dwarfs

(1957 Version)

Once upon a time there was a real living doll named Sno White.

She had a black feather haircut, blue peepers, and a voice like all your favorite

singers rolled into one. Sno White sang with a combo

called the Swingin' Singin' Dwarfs. Man, they sang cool! But one night at the

Junior Hop,

they were singing the "Rock 'n' Roll Rumba"

when they got so dry and thirsty they were singing the blues.

Now even tho Sno sang like a lark, she was no bird brain. She grabbed some

7-Up (most popular drink at most popular parties) and they each had a bottle.

Well, naturally, 7-Up

put out the fires in their thirsty throats—

and Sno White and the Dwarfs have been sipping and happily

singing "Nothing does it like 7-Up!" ever since!

Copyright 1967
by The Seven-Up Company

MORAL: Everybody's singing out for Seven-Up these days. Why don't you join the chorus? Remember— for a real thirst-quencher . . .

Nothing **does it** like Seven-Up!

Because Daisy air rifles are sometimes confused with other type air rifles, we want you, Dad, to know these helpful facts:

1 The Daisy is *NOT* a high-powered pneumatic, gas, pellet or compressed air gun. It cannot be pumped-up to increase power!

2 DAISY is a spring-action, short range, low "factory limited" power air rifle—safest of its kind for training boys and girls aged seven through fourteen!

3 Daisy is *now* used in the 15-foot junior marksmanship training programs of the NRA, NEA, BSA, schools, camps and clubs because of its *safer* spring-action, *safer* short range, *safer* low power.

LET'S FACE IT, DAD!

Your junior wants a Daisy right now or for Christmas—an important decision for you! Why not get *all* the facts about the *many* supervised shooting programs now available to your junior with his Daisy—buy that Daisy *NOW!* And send coupon today!
