Hurry...Hurry...Hurry!!
THE PLASTIC TOY SHOW IS ABOUT TO BEGIN!

Announcing... Copper-Tone BETTY-WARE

with 4 "electric appliances"!

Manufactured by Banner Plastics Corp.

Paterson 3, N. J.

Here's delicious fun for Mommy's little helper. Listen to what Betty-Ware gives you—first, a big life-like stove with 4 corner shelves and 4 copper-tone plastic serving utensils with storage rack. And then! Then 4 "electric-like" appliances all in shiny copper-tone plastic. You get an "electric" coffee-maker, fryer, waffle iron, and toaster. And a white plastic plug-in panel where you can connect all your appliances at once! Did we forget to mention the 4 red and white plastic canisters and the cake dish and cover? They're all yours—so be off to toyland this very minute to see beautiful Betty-Ware.

SPECIAL NOTE TO MOM & DAD: Monsanto doesn't make toys. But as suppliers of premium quality plastics like Lustrex styrene to leading toy manufacturers, we are in a position to call attention to 1) the fine design and workmanship of plastic toys; 2) their tougher-than-ever resistance to damage; 3) the bright clear molded-in colors that can't chip off or fade. Save this "Plastic Toy Show" series as a buying guide for toys you can depend on for wonderful, safe fun for your family. Take the kids to see them at your favorite local toy store.
