**An exciting new way you and your children can learn about the wonders of NATURE!**

Everybody knows that the Stork is the biggest living bird. But did you know that it can run 32 miles an hour—that its feet can kill a man when it has the largest eyes of any land creature?

In an ordinary woodland pond you can find an amazing variety of fascinating creatures. Your Nature Program tells you what to look for, how to get about it.

Discover awesome prehistoric times, like the Dinosaur—Dinosa feet of amazing-plated night with a horn as large as a walnut!

Natural color photos show you unusual color tones like the Snowshoe Rabbit. In summer, he is the same color as his timber home...

But when winter comes, the mole's gets colder, and he starts to change color. By the time the ground is covered with snow...

he has become entirely white. Probably camouflaged once again, he is "invisible" to his enemies!

Which is the frog-like flower and which is the frog-eating animal? On the left is the lovely bloom of the Frog Tree. But the "blossom" on the right is a hungry Saw Arrowweed, and its "petals" are waiting tentacles, waiting out for prey!

Meet the invisible children of Nature—like the shy, eye-sticking Skink, the world for the wretched "Tadpole bear."

See the mysterious, amazing life of Nature after dark—the great owl who hunts their prey in almost total darkness—all the strange creatures who live by night!

Collect a "Museum-at-Home" of Nature—like the lovely Tiger Salamander!

Explore the underwater world through the Nature Program's color camera!

**THE NATIONAL AUDUBON SOCIETY INVITES YOU TO ACCEPT THIS EXCITING FREE OFFER (VALUE \$2.00)**

TO INTRODUCE YOU AND YOUR FAMILY TO THIS NEW NATURE HOBBY

THE NATIONAL AUDUBON SOCIETY'S new Nature hobby has captured the imagination of thousands of American families. Now you and your family can discover the wonders of Nature, under the guidance of wise, friendly naturalists.

As a demonstration, please accept this \$2.00 value Gift Package — without cost or obligation! Here's what you get (all FREE):

1. "CAMOUFLAGE IN NATURE" — 30 color prints and an album in which to mount them. Through the "magic eye" of significant color photographs and fascinating text, you learn about animals and plants which wear "disguises" to protect them from their enemies — hundreds of astounding facts!
2. "FUN WITH BIRDS" — How to attract, study and enjoy Nature's most beautiful creatures, right in your backyard. Shows how to build birdhouses, bird baths and feeding stations.
3. HANDSOME PROTECTIVE CASE — Distinctive maroon-and-gold color pull-drawer case to store your album collection.

This FREE Gift Package will demonstrate how much pleasure and knowledge you and your family can enjoy with this new program of things-to-know and things-to-do in the wonderful world of Nature!

This exciting program — with the aid of beautiful true-color photographs and fact-filled albums in which to mount them — takes you "into the field" on a fascinating quest after Nature's secrets. Guided by experienced naturalists, you see how Nature "protects her own" with camouflage... fears the strange, almost unbelievable ways some animals raise their young... collect your own "Museum-at-Home" of Nature oddities. Best of all, your naturalist-guides will open your eyes to the wonders you can discover in your own backyard or park!

Each month an exciting new topic is selected and a set of about 30 color prints is issued, with an album in which to mount them and informative text. The total cost is very low: only \$1 for each set, plus a few pennies for shipping. But you do not obligate yourself when you send for your FREE Gift Package. You may resign your membership at any time. However, we feel sure that, once you and your family have become acquainted with the program, you will want to continue these delightful monthly "visits" for a while. That's why we make this unusual Free Offer. But we urge you to send for your sample package now, because quantities are limited. Mail the coupon today!

THE AUDUBON NATURE PROGRAM Box 73, Zone 23, New York 23, N. Y.

Please send me FREE my introductory package, consisting of the CAMOUFLAGE IN NATURE collection of 30 natural color prints; a 7500-word informative album to mount them in; a handsome maroon-and-gold colored album case and the illustrated handbook FUN WITH BIRDS — all FREE. I understand that you plan to issue a new Nature series each month in cooperation with the National Audubon Society, for only \$1.00 each plus a small charge for shipping. After examining my FREE set, I'll notify you if I do not wish any others. I may cancel my subscription at any time I wish without further obligation.

# NO TIME FOR SERGEANTS

ONE WARM SUMMER MORNING, DEEP IN THE HILLS OF GEORGIA...

LATE THAT NIGHT, IN THE WOODS A SAFE DISTANCE FROM THE AIR BASE...

"PRIVATES WILL STOCKDALE AND

BENJAMIN WHITLEDGE ARE HEREBY RELIEVED OF DUTY AND REMOVED FROM THE RECORDS OF MAJOR GENERAL EUGENE BUSH, AND TRANSFERRED TO THE COMMAND OF MAJOR GENERAL VERNON POLLARD, U. S. ARMY INFANTRY."

WE FINALLY MADE IT, BEN! WE'RE IN THE INFANTRY, AT LAST!

IT'S ALMOST TOO GOOD TO BE TRUE!

SO LONG, BOYS! IT'S BEEN SWELL KNOWING YOU! WISH I COULD GO ALONG WITH YOU! BUT THAT'S LIFE! HA... HA, HA!!

CAN'T HE COME WITH US, SIR?

HE SURE CAN! I KNOW POLLARD CAN USE HIM!!

NO! NO! THIS CAN'T HAPPEN TO ME...!!

C'MON, SERGEANT KING! WE'LL STILL BE TOGETHER! WE'RE ALL IN THE INFANTRY NOW!!

A PLEDGE **DELL** TO PARENTS

The Dell Trademark is, and always has been, a positive guarantee that the comic magazine bearing it contains only clean and wholesome entertainment. The Dell code eliminates entirely, rather than regulates, objectionable material. That's why when your child buys a Dell Comic you can be sure it contains only good fun. "DELL COMICS ARE GOOD COMICS" is our only credo and constant goal.

# the **BIG** **CHANGE**

Will Stockdale and his friend, Ben, may not be aware of it, but life in the "ground pounding" Infantry is going to be much different than life in the "fly boy" Air Force!

The first thing Will and Ben face is eighteen weeks of basic training. This is probably the toughest time in an infantryman's career, with the exception of actual combat.

In the Air Force, the men fly... in the Infantry, they *walk!* And the five, ten, and twenty mile hikes with a full pack are a source of continual complaining.

The hikes are not the only source of grief! There are inspections, K.P., innumerable fox holes to be dug, weapons to be cleaned, and always the irritating mud and rain!

With a history of many victories, the Infantry is tough, efficient, and proud... and only an infantryman fully understands this pride he feels for his own outfit.

# the **LONG** **RIDE** **DOWN**

Parachutes were first used by early-day balloonists, as a means to descend from their balloons. This feat was a popular attraction at county fairs, and the crowds were thrilled by the death-defying airmen.

Today, parachuting has become a very popular and exciting sport. There are several parachute clubs whose members take daring jumps for the simple thrill of jumping.

There have been many unusual experiments with chutes. During one test, the pilot killed his engine and released a parachute attached to the plane. The craft gently floated to the ground with little damage.

One of the strangest jumps in history happened when a World War II pilot's chute failed to open when he jumped from his crippled plane. The flyer fell thousands of feet into the ocean and miraculously suffered only an injured hip.
