Subject: The Amazing Voyage of Sea Life Park's Juvenile Hawaiian Honu 22270

Dear December 1st Get-Together Friends- Sea Life Park's Honu 22270 is the turtle that appeared in Ripley's Believe-Or-Not that I mentioned last Friday. Marc Rice featured this captive-bred turtle in his and Laura Jim's HPA presentation to us. It's a true story- Please Believe. Meaning please believe that Hawaii's Honu can do some astonishing things- lending substance to the saying 'Never Say Never'. Please Enjoy, With Aloha.

Please click here and see map below that Marc's showed us in his presentation:
