Suggestions for Sign, Please keep as positive as can: Keep Punalu'u
Punalu'u, Keep Ka'u Ka'u, Keep Ka'u Country, Build away from the beach,
Require an EIS, Get a shoreline certification

The people of Ka'u are facing the threat of a large development that will change the slow pace, quiet, uncrowded, rural and country style living that people love about Ka'u. Most are OK with Change as long as it is PONO for the LAND and the PEOPLE. But in this case, the developers priorities are backwards. Build with Aloha before you build for Kala (money).

The County of Hawaii has just abandoned the people of Ka'u by giving approval for SMA to move forward. Unless the People of Ka'u can convince the Planning Commissioners to stop or make adjustments that meet the needs of the local people and the aina....Ka'u will lose its identity. Punalu'u is the Piko of Ka'u and we need to protect.
