

December 26, 2013

To whom it may concern:

Turtle A (microchips left in hind flipper, last 4 digits #2372 and #3349) was hatched at Sea Life Park Hawaii in 2012 and is on loan to Maui Ocean Center. This animal has been under medical treatment since 12-22-13 and is being returned to our facility for further diagnostics and treatment.

Please contact me if you have any questions.

Thank You,

Bethany M. Doescher, D.V.M.
