(Other co-owner occupants may wish to file separate claims; only one exemption will be allowed.) (See Title 42 United States Code Section 405 (c)(2)(C)(i) which authorizes the use of social security numbers for identification purposes in the administration of smy tax.) The numbers are used by the Assessor to verify the eligibility of persons claiming the exemption and by the State to prevent multiple claims in different counties and to verify the eligibility of persons claiming income tax renter's credits. The numbers are also used by the State Department of Justice's Parent Locator Services and the State Department of Social Service's Statewide Automated Child Support System for locating absent parents and locating property which is owned by persons who delinquent in their support payments, and by the State Department of Social Services to identify persons who own homes that have not been reported, if required, to the County Helfare Department. The failure of a person to enter his Social Security number as directed may result in delays in processing the claim or disallowance of the exemption. This exemption claim is not subject to public inspection.
