SUPPLIER CERTIFICATION

Certification Regarding Melamine and Related Compounds in Fish Feed

This is to certify that Melick Aquafeed, Inc., to the best of its knowledge, has not utilized in any fish feed products produced by this company any compound or ingredient associated with "melamine," and this company has requested that any company supplying any ingredient to this company certify to us that it has not utilized in any of its products sold to this company any compound or ingredient associated with "melamine."

This certification remains in force until revoked in writing by Melick Aquafeed, Inc.

A handwritten signature in black ink, appearing to read "Michele Masala", is written over a circular stamp or seal.

Michele Masala
Vice President
