INTERMENT RECORD/GENERAL INFORMATION

PURPOSE. This provides you with a record of interment of the deceased as well as general information concerning policies of the National Cemetery. It is suggested this be kept in a secure place for future reference.

VISITING HOURS. The National Cemetery is open to visitors every day of the year as follows: September 30 - March 1, 8:00 a.m. to 5:30 p.m.; March 2 - September 29, 8:00 a.m. to 6:30 p.m.; and Memorial Day - 7:00 a.m. to 7:00 p.m.

GRAVE/NICHE LOCATION. The grave/niche location is to assist you in locating the grave/niche of your loved one. A map of the cemetery showing the site will also be furnished by the cemetery office. Weekend visitors to the cemetery who do not know the location of the grave/niche should call the cemetery office during hours of operation (Monday through Friday, from 8:00 a.m. to 4:30 p.m.) to obtain assistance or stop at the Weekend/Holiday Visitors Center.

GRAVE/NICHE MARKER. A temporary marker is used to mark the grave/niche following the interment. A permanent marker will be furnished by the Government. Every effort is made to have the grave marker delivered within 120 days of the interment. Markers are placed as soon as weather and work schedules permit.

BURIAL OF A SURVIVING SPOUSE. A non-veteran spouse of a deceased veteran who remarries is not eligible for burial in the National Cemetery. Also, a divorced spouse or a spouse whose marriage to the veteran has been annulled is not eligible for burial.

GROUNDS MAINTENANCE. Immediately after each interment, the grave is filled, leveled, and seeded. Until growing conditions are favorable and turf has been established, burial areas may be substandard in appearance. Because the soil continues to sink after a burial, a new grave requires repeated renovation. After the grave has stabilized, the overall appearance will improve. The cemetery staff requests your understanding. Matters which appear to need immediate, corrective action should be reported to the cemetery office. **NOTE: MAINTENANCE OF GRAVESITES BY INDIVIDUALS OTHER THAN CEMETERY PERSONNEL IS NOT AUTHORIZED.**

FLAGS. The United States Flag is flown over the National Cemetery every day during the hours of cemetery operation. The flag is flown at half staff during interment services and wreath-laying ceremonies. All graves are decorated for Memorial Day by Boy Scouts and Cub Scouts with small United States Flags along with floral leis strung by school children. The "Avenue of Flags" is displayed on Memorial Day and on other special occasions.
