Dear George:

Thanks for your recent note. It came at a very opportune time. We have nearly completed the large Kaupo Falls project and as a final stage we would like to make the necessary modifications on the turtle pool. I am very interested in your ideas.

Perhaps the best bet would be for you to come out for lunch and we'll design an appropriate turtle area. As you know, I'm here almost every day so give me a call any time you're free.

Aloha,
